4th ICMM Workshop on Military Medical Ethics

Published: 25. Nov 2013 by webmaster

The **4th ICMM Workshop on Military Medical Ethics** will take place from **24-26 April 2014**. Like the previous three workshops, it will be held at "Forum Lilienberg" which is near Zurich. A bus shuttle will be provided for registered participants both from Zurich Airport and Ermatigen train station.

Main topics for the 2014 workshop will be resource allocation, disaster bioethics, and e-learning in military medical ethics and IHL.
